STAT

Dear Holly,

I wish to extend my appreciation and that of the Publications Staff for your valuable contribution during your summer assignment with FBIS.

With minimal training you very capably fulfilled the duties of a staff proofreader, a key position in meeting the DAILY REPORT publication deadline. Your cooperative attitude and constant optimism made it a pleasure having you as a member of the summer only program.

Please accept our best wishes for a successful and happy future.

STAT

Sincerely,

Deputy Director
